Key Product Features

- **Sustainability & Quality:** Products are made with eco-friendly, durable materials.
- **Safety-First Design:** All structures are built with **LLDPE (rotationally molded plastic)** and **galvanized steel**, ensuring they are weather-resistant and have smooth, rounded edges to prevent scrapes.
- **ISO9001, ISO14001, and IPEMA certified.**

Structural Points

- **Immersive Themed Play:** Several products lean heavily into their “series” through visual themes and storytelling to spark imaginative play.
- **Massive Multi-Deck Structures:** The “mega-structures” are designed to accommodate large groups of children with multiple elevated platforms connected by bridges and tunnels.

King's Realm

78' 9" x 82' x 39' 4½"

Bonzai Blast

34' 5½" x 32' 5¾" x 17' 4¾"

Inclusive Interaction

- **Mobility Aspects:** Ramp access points, ground level features, and many more components allow physically impaired children to navigate freely.
- **Age-Appropriate Heights:** Structures are categorized by age to ensure that challenges are developmentally suitable and safe.
